

## **Jackie Kimzey**

### **General Partner, Sevin Rosen Funds**

Jackie Kimzey joined Sevin Rosen Funds in 1999 after nearly 20 years as an executive at wireless carrier and service provider companies. He brings a keen understanding of what it takes for a promising venture to evolve into a successful business and company. He has held management positions at the semiconductor manufacturer Mostek and was also co-founder and CEO of wireless provider ProNet. He helped develop proprietary products, generated "turn-around" strategies, recruited top executives, and played both key roles in mergers and acquisitions. At SRF, Jackie applies his experience and entrepreneurial perspective to young companies in the wireless and software arena, including GlobeRanger, Tangoe, Verified Person, and Invodo. Companies that Kimzey invested in and helped develop as a member of the Board of Directors include: Wayport (sold to AT&T), NeoWorld (sold to Sprint/Nextel), LiveVault (sold to Iron Mountain), Voyence (sold to EMC) and Tonic Software (sold to Symantec/Altiris).

Kimzey holds a Master of Science Degree in Management and a Bachelor's Degree in Business from Abilene Christian University. He also holds a Master of Business Administration Degree from the University of Dallas.
