

Rajiv R. Shah, Ph. D.

Clinical Professor – Organizations, Strategy and International Management

Dr. Rajiv Shah joined the faculty of the School of Management at The University of Texas at Dallas in 2008 as Clinical Professor of Entrepreneurship, teaching undergraduate and graduate courses in Entrepreneurship, Entrepreneurial Strategy and Technology Management.

Dr. Shah holds a B.Sc. in physics, mathematics and statistics from the University of Pune, in India, an MS and Ph.D. in Electrical Engineering from Rice University, and an Executive MBA from Southern Methodist University. He has also served on the faculty of the California Institute of Technology as the Dr. Chaim Weizmann Post Doctoral Research Fellow. Over the past several years, he has served on the Industrial Advisory Boards for UT Dallas and Southern Methodist University and as a member of the Engineering Executive Board at SMU since 2002.

Dr. Shah is a founder and Managing Partner of Timmaron Capital Advisors, LLC, a firm providing strategic advisory services to CEOs, boards of directors and private equity firms, and the principal of The indusLotus Group, LLC, a business strategy and technology consulting firm he founded in 2005. In these capacities, he has served as an advisor to Cerberus Capital Management, LP, Commscope, Inc., Ericsson, Inc., Goldman Sachs Vantage Marketplace LLC, Nomura Securities, Silver Lake Partners, Columbus Hill Capital Management, McKinsey & Co. and others.

Since 2005, Dr. Shah has been a mentor for STARTech Early Ventures and has served as an evaluator and mentor for the North Texas Regional Center for Innovation and Commercialization. He serves on the advisory boards of a number of startup companies.

Prior to founding The indusLotus Group, Dr. Shah served as CTO and VP of Research and Network Strategy for Alcatel North America, a \$2B subsidiary of Paris-based Alcatel, Inc. Prior to joining Alcatel, he held senior management positions at MCI Worldcom and was employed by Texas Instruments for seventeen years in various capacities, including research and development, manufacturing, business development and strategy.
