Undergraduate Entrepreneurship Incentive Program- Scholarship Application

Through a grant provided by the TI Foundation, the Undergraduate Entrepreneurship Incentive Program is offering scholarship incentives for students majoring in engineering, science and technology disciplines to enroll in and complete the 18 hour minor in **Innovation and Entrepreneurship**. The minor consists of one course in accounting (AIM 2300), three courses in entrepreneurship (BA 4308, BA 4310, BA 4311), and two courses in marketing.

Students will receive an award of $500 for the first entrepreneurship course, and $1,000 for each of the second and third entrepreneurship courses in the sequence. Approximately 10 scholarships will be offered each semester. The scholarships will be awarded this Spring (2010). Students may apply for grants and enroll in more than one course in the same semester.

Scholarship Criteria:

1. Full time sophomore, junior or senior in an engineering, science or technology program.
2. Overall GPA greater than 3.00.
3. US Citizen or permanent resident.
4. Other considerations: community service, leadership experience and work experience.

Application **MUST** Include:

1) This scholarship application, completed in full.
2) Personal statement.
3) Resume.
4) Two **FACULTY** letters of recommendation.

Please note: Letters from family members, friends, and clergy will not meet this requirement.

Only COMPLETE applications received prior to the posted deadline will be considered by the selection committee.
